ZHIYAO (LUCAS) YAN

Piscataway, NJ | (848) 437-0914 | zy508@rutgers.edu | linkedin.com/in/lucasyanzy | github.com/LucasYanzy

EDUCATION

Rutgers University – New Brunswick — New Brunswick, NJ
Bachelor of Science in Finance and Computer Science — May 2029
Activities: Rutgers Entrepreneur Society (Sharktank, Scarlet Pitch)

PROFESSIONAL EXPERIENCE

Guolian Minsheng Securities Co., Ltd. — Shanghai, China
Equity Research Intern, TMT Hardware — Jun 2026 – Aug 2026

- Supported AI data center (AIDC) power-demand forecasting and server BOM cost breakdowns, compiling data on liquid-cooling components, power consumption, and shipment volumes across China and U.S. supply chains.
- Ran channel checks across electronics markets and e-commerce platforms to monitor spot pricing; summarized key takeaways from earnings calls and expert-network interviews.
- Assisted in drafting equity research reports and valuation models, analyzing hardware market trends, AI structural drivers, and company valuations.

Tutturo LLC — New Brunswick, NJ
Global Business Lead — Oct 2025 – Present

- Lead global business operations for an early-stage startup; manage brand design and built the corporate website.
- Pitched the business model at the Rutgers Sharktank competition, placing 8th overall among university teams.

INDUSTRY PROGRAMS

Goldman Sachs – *2026 Possibilities Series* — Apr 2026 – May 2026

EY (Ernst & Young) – *EY CHARGE 2026* — May 2026 – Jul 2026

LEADERSHIP

Rutgers Chinese Finance Club — New Brunswick, NJ
Founder & President — May 2026 – Present

- Founded and lead a 50+ member student organization connecting members with finance industry knowledge, networking opportunities, and career resources.

Rutgers Chinese Students and Scholars Association (CSSA) — New Brunswick, NJ
Core Project Manager — Aug 2025 – Present

- Manage event logistics and improve operating efficiency within the planning department.
- Redesigned competition frameworks and streamlined judging, improving event execution and team productivity.

Yunnan DianChi Lake Protection & Improvement Foundation — Kunming, China
Founder & Project Manager, Student Environmental Project — May 2020 – Jun 2025

- Launched a student-led conservation project in partnership with the foundation; recruited and managed 56 volunteers to run public events and TV media campaigns reaching 5,000+ community members.
- Directed a biodiversity study across 20 wetland zones, documenting 300+ plant and 50+ animal species in a local database.

PROJECTS

Magic Glove – 2026 IEEE x RUHART Build-a-thon — Apr 2026

- Won the "Best Productivity/Automation Challenge Prize" among ~30 teams at Rutgers IEEE's 26-hour engineering competition.
- Built an Arduino-based wearable controller that translates hand movements into mouse and keyboard commands; handled hardware integration and used AI-assisted coding for the control logic.
